

VEHICLE ACTIVATED WARNING SIGN

EYE-CATCHING
PERMANENT
VAS SIGN WITH
BEACONS, TSRGD
SIGNS AND 'SLOW
DOWN' MESSAGE.

Introducing the latest addition to the Messagemaker Displays range; the Vehicle Activated Warning Sign.

This sign acts as an advanced warning to motorists of approaching hazards, with an eye-catching reflective TSRGD sign, four flashing beacons and 'SLOW DOWN' message, displayed in white LEDs.

The Vehicle Activated Warning Sign is ideal for collision prevention and traffic calming, and is easily installed with three rows of channel.

KEY FEATURES

- ▶ 600mm High TSRGD signs in reflective vinyl
- ▶ 4 amber flashing beacons
- ▶ 'SLOW DOWN' white LED display
- ▶ Integrated Vehicle detection radar
- ▶ Automatic dimming for optimal visibility
- ▶ Three power options; battery, mains or solar
- ▶ Easy installation
- ▶ Pre-configured with desired trigger speed
- ▶ Adjustable trigger speeds and display-on time
- ▶ 70m Viewing distance

TECHNICAL SPECIFICATION
