

LED SCHOOL WARNING SIGNS

VERSATILE AND
EFFECTIVE WAY FOR
IMPROVING SCHOOL
ROAD SAFETY

Introducing Messagemaker Display's versatile solution for traffic calming, improving safety and increasing road user awareness around schools.

Our brand new LED School Warning Signs can be programmed to illuminate according to school hours and term times, thus ensuring maximum effectiveness.

These signs display four bright flashing amber beacons accompanied with a class two reflective vinyl printed with TSRGD compliant symbols and fonts, customisable to your specific requirements.

This solution easily catches road user's attention to convey important information including temporary speed limit changes around school times, and school hazard warnings.

KEY FEATURES

- ▶ Low maintenance device
- ▶ EN12966 compatible
- ▶ Choice of any TSRGD compliant symbol
- ▶ Battery and mains powering options available
- ▶ Adjustable activation times
- ▶ Easy installation
- ▶ Compatible with intermittent power such as timed lampposts
- ▶ Fully customisable artwork design
